

GILGIT-BALTISTAN at a **GLANCE** 2021

Government of Gilgit-Baltistan
Planning & Development Department
Statistical & Research Cell (SRC)

FOREWORD

It is a matter of satisfaction for us that Planning & Development Department has been publishing valuable and vital statistical data on Gilgit Baltistan in a shape of a handy booklet “Gilgit Baltistan at a Glance”. The current issue is third in series for the year 2021. From now onwards, compilation of statistical data shall be a regular yearly feature, Insha'Allah.

“Gilgit Baltistan at a Glance-2021” provides a glimpse of socio-economic state of Gilgit Baltistan. It contains diversified secondary data on geography, demography, socio-economic development indicators, physical infrastructure, multidimensional poverty and well-being index, Natural Resource Indicators, administrative and political Institutions, telecommunication, tourism as well as it shows development evolution of Gilgit Baltistan through decades since its accession to Pakistan in 1948 and its progress over the years. In addition, it also indicates baseline for Sustainable Development Goals (SDGs) and progress on each target. For the region it would be another endeavor to effectively inch towards evidence-based planning.

The data has been gathered from various data sources, ranging from Administrative Federal and Provincial Departments/agencies, official websites, primary data collected by National and International Agencies i.e. MICS, PSLM, LFS, CLS etc. I hope this statistical leaflet will best serve the thirst of state functionaries, policy makers, development planners & practitioners, academia and general public at large. Despite absence of Bureau of Statistics and thereof data scientists, utmost efforts are extended for improvement of the booklet.

I would like to express my gratitude for the team-work put in by Statistical & Research Cell (SRC), P&DD GB, especially Mr. Faisal Usman, Deputy Chief and Ms. Anisa Yousuf Research Officer in compiling and dissemination of the data. The District functionaries, Provincial Administrative departments and Federal agencies also deserve due applause for their cooperation in this regards. Last but not the least, I am indebted for the guidance and support of the Chief Secretary Gilgit-Baltistan, Capt. (Retd.) Muhammad Asif.

This Booklet is also available on the official website of P&DD GB (www.pnd.gog.pk). Feedback and suggestions for improvement, in this regard, will be welcome.

Aziz Ahmad Jamali
Additional Chief Secretary (Dev.) GB
