Subject: UPLOADING OF JOB VACANCIES ON NATIONAL EMPLOYMENT EXCHANGES TOOL (NEXT)

*My dear Secretary,*

National Vocational & Technical Training Commission (NAVTTTC) has developed the National Employment Exchanges Tool (NEXT) under the Prime Minister's Hunarmand Pakistan Programme. It has a robust structure which helps employers in finding the relevant job seekers using an artificial intelligence-based competency matching system that contains over 20,000 competencies covering almost all types of occupations. To enhance the coverage and access, NEXT has been linked with over 100 Job Placement Centers (JPCs) across the country that would facilitate both the employers and the job seekers in registering and uploading their credentials on the portal.

2. The job portal for NEXT is functional and all the Government Organizations including Ministries / Division, attached departments, and autonomous bodies can advertise their job vacancies to invite applications from the potential job seekers without any fee. It can be accessed at [www.jobs.gov.pk](http://www.jobs.gov.pk).

3. All Ministries / Division, attached departments, and autonomous bodies are, therefore, requested to utilize the NEXT portal for advertisement of their job vacancies to promote the Prime Minister's vision of Digital Pakistan. In this regard, Mr. Arif Chandio, Assistant Director (NEXT), NAVTTTC has been nominated as a focal person. He can be contacted for technical support through telephone (Ph: 051-9044445) or email ([navttcjobplacement@gmail.com](mailto:navttcjobplacement@gmail.com)).
